

THE SPINY FOREST & THE DANCING SIFAKA (4 days and 3 nights from 24th July to 27th July, 2019)

ITINERARY:

ANTANANARIVO - FORT DAUPHIN – BERENTY - ANTANANARIVO

From Antananarivo, we take a flight to Fort Dauphin, then road transfer to reach Berenty and discover the South west of Madagascar, with its warm and dry climate. The sceneries and the wildlife of this region are UNIQUE and worth to see: the famous dancing lemurs and other species of lemurs as well as birds. We have also occasion to learn about culture of the region.

THEME:

 WILDLIFE  PHOTOGRAPHY

HIGHLIGHTS OF YOUR TRIP:

DAY1, WED. 24TH JULY 2019: ANTANANARIVO – (by internal flight) FORT DAUPHIN - BERENTY

Early in the morning, pick up at your hotel in Antananarivo then transfer to the airport. Fly to Fort Dauphin with **TZ 714 at 07H40 and arrival time at 09H30.**

Upon your arrival, meet with your local guide and drive straight to Berenty which is located at 84km from the Fort Dauphin. It will take 3 to 3H30 of drive. Pictures stop on the way: fruits market, the Antanosy tribe funerary art, spiny forests, baobab trees, sisal plantation.....

Arrival in Berenty, installation at the hotel. In the afternoon, take a first walk within the gallery forest for spotting lemur and birds. Night walk within the spiny forest for spotting nocturnal species as the grey Mouse lemur and the white footed sportive lemur. **Accommodation on Half board basis at BERENTY LODGE for 2 nights.**

DAY2, THU. 25TH JULY 2019: BERENTY

Day spent for exploring the Berenty private reserve and its surroundings. Three species of diurnal lemurs are easily seen within this reserve including the ring tailed lemur, the sifaka lemur and the red fronted brown lemur as well as different endemic species of birds. Endemic birds as the Giant Coua, crested coua, chabert's Vanga, Madagascar sparrow hawks, Madagascar Harrier hawks, Sooty falcon.... Might be spotted as well during your visit. **Dinners and overnight in your Lodge.**

DAY3, FRI . 26TH JULY 2019: BERENTY – FOR DAUPHIN

Morning visit at Berenty reserve. In the afternoon, transfer to Fort Dauphin. Installation in your room.

Accommodation on Half board basis at LA CROIX DU SUD.

DAY4, SAT.27THJULY2019: FORT DAUPHIN – ANTANANARIVO (by internal flight)

Breakfast at the hotel. In the morning, visit at Nahampoana reserve, located at about 7 km from the Fort Dauphin. You can spot, exotic plants such as Ravinala palm, pachypodium, canela, lemon

Eucalyptus, etc. We can see also some lemurs species such as Verreaux's Sifaka, Ring-tailed Lemur or Brown Lemur, usually play in the trees. Other animals in the park include chameleons, tortoises, crocodiles and a wide variety of birds. Back to Fort dauphin. Transfer to the airport. Fly to Antananarivo with **TZ717 at 15H05 arrival time at 16H55.** Upon your arrival in Ivato, meet with the driver and transfer to your hotel (dinner and overnight at your own arrangement).
