

## Discover the rainforest of the east in 8 days

Wildlife highlights of the National Park of Andasibe rainforest and the National Park of Ranomafana Rainforest

Dates : 5 – 12 august 2019

Minimum pax : 2 pax

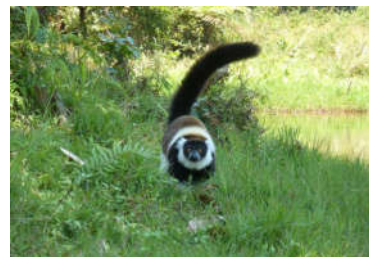

Maximum pax : 14 pax

### ➤ Day 1 : Antananarivo - Andasibe

Morning drive to the eastern part of Madagascar, to reach Andasibe or Perinet.

After about 4 hours drive with stop on the way, arrive at destination by lunch time. Have an afternoon visit in the private park of Vakona where the wildlife expedition starts : spot lemurs, birds, crocodiles etc...followed by an evening walk to spot night active wildlife.

Overnight at **HOTEL LODGE EULOPHIELA** on half board

### ➤ Day 2 : Andasibe

After breakfast, full day visit at Mantadia National Park. The park is an extraordinary animal diversity with many species: mammals, birds (many of them endemic), reptiles, among them the biggest chameleon of the island, leaf-tailed geckos, and amphibians... Late in the afternoon return at the Lodge, then go on for another evening walk along the road at Andasibe to spot night active wildlife.

Overnight at **HOTEL EULOPHIELA** on half board

➤ **Day 3 : Andasibe - Antsirabe**

Today enjoy an early morning expedition walk into the special reserve of Analamazaotra. This forest is famous for its population of Indri lemurs which are the largest living lemurs, and the species of fauna and flora. After visit, back to Antananarivo and straight to the south, destination to Antsirabe. Arrive at destination late in the afternoon.

*Overnight at **VATOLAHY HOTEL** on half board*

➤ **Day 4 : Antsirabe - Ranomafana**

After Breakfast, drive to the south with main stop at Ambositra. On arrival, short city tour in town, famous for the woodcraft shops and typical art made of wood. Have lunch there, then continue the drive to the south east, late in the afternoon arrive at the village of Ranomafana.

*Overnight at **CENTREST SEJOUR HOTEL** or **SIMILAR** on half board*

➤ **Day 5 and 6: Ranomafana**

Expeditions into the Ranomafana national park to spot the best of wildlife species. Ranomafana is one of the most important wildlife sites and among the best rainforest reserves in this part of the region. The park is a part of the eastern corridor of the island, one of the best places to spot different endemic species such as lemurs; reptiles, frogs, invertebrates. This rainforest station shelters also many flora diversities and large kind of medicinal plants. In the evening, you will have an evening walk.

*Overnight at **CENTREST SEJOUR HOTEL** or **SIMILAR** on half board*

➤ **Day 7: Ranomafana - Antsirabe**

After breakfast, leave Ranomafana and drive back to Antsirabe. Have lunch on the way and upon arrival, you will have a city tour

*Overnight at **VATOLAHY HOTEL** on half board*

➤ **Day 8: Antsirabe - Antananarivo**

Today, drive back to Antananarivo. On the way, main stop at Ambatolampy mainly known for its forging and foundry of aluminum. After visit, continue the road back to Antananarivo.
