

## Discovering and Nature tour

**DESTINATION : TANA-KIRINDY-BEKOPAKA-MORONDAVA-BELO SUR MER-MORONDAVA-ANTSIRABE- TANA**

### **Arrival:**

### **Departure:**

#### **Day 1 – 05-Aug : Tana-Morondava-Kirindy (flight)**

On this day, you will be transferred to the airport for your flight to Morondava.

Upon your arrival, drive directly to Kirindy. Along the way, you can admire all kinds of plants like baobab species (*Adansonia grandidieri*, *Adansonia rubrostipa* and *Adansonia za*). And in the evening, be ready with your flashlight for a night walk to spot nocturnal animals such as mouse lemurs and chameleons.

*Overnight at Relais de Kirindy or similar with breakfast (BB)*

#### **Day 2: 06-Aug – Kirindy-Bekopaka**

Earlier in the morning, you will make a visit of the Kirindy reserve where you will find endemic animals such as the giant jumping rat and reptiles like the chameleon of Labord, various plated lizards, beaked gecko, Madagascar boa, giant snake. After that, start driving to Bekopaka. To reach this locality, it is necessary to cross two rivers that are Tsiribihina and Manambolo with its largest and most intact mangrove landscape in western Madagascar.

*Overnight at Olympe de Bemaraha with breakfast (BB) or similar*

#### **Day 3: 07-Aug – Bekopaka (big Tsingy)**

After your breakfast, you will visit the Big Tsingy which is located at 17 km from the village. The Tsingy of Bemaraha is classified as World Heritage by Unesco in 1990 and is managed by M.N.P.

This site offers one of the most impressive landscapes of Madagascar with their limestone blocks cut into sharp blades. In addition, it offers a variety of natural habitats with many different ecosystems such as a dense deciduous forest, bushy xerophytic vegetation and sub-humid forest. The park is home to lemurs, terrestrial and aquatic birds, bats, amphibians, reptiles and endemic mammals.

*Overnight at Olympe de Bemaraha with breakfast (BB) or similar*

#### **Day 4: 08-Aug – Bekopaka (small Tsingy)**

On the second day in Bemaraha, you will visit the small Tsingy located near the village. It will be combined with a traditional pirogue ride on the Manambolo River to meet different species of fauna and flora and to see the beautiful waterfowl on this site.

*Overnight at Olympe de Bemaraha with breakfast (BB) or similar*

#### **Day 5: 09-Aug – Bekopaka-Morondava (225km)**

Take breakfast in your hotel and then drive back to Morondava. In the way, you will pass by Lover Baobab and the sacred baobab. At the end of the day, admire the extraordinary spectacle of the sunset through the landscapes of baobabs at the Baobab alley.

*Overnight at Kimony resort or similar on BB*

#### **Day 6 – 10-Aug: Morondava-Belo sur Mer**

In the morning, drive on off road to Belo sur Mer over the Mangroves, Saline, and Baobab camps. It is a Fishermen village. If time allowed, when you are arrived there, you may visit the village to see cultures of the local population and their way of constructing boats.

*Overnight at Ecolodge du Menabe or similar with breakfast (BB)*

#### **Day 7 – 11-Aug: Kirindy Mitea**

After taking your breakfast, you will explore the Kirindy Mitea Park. In this park, you will see a large area of dry deciduous forest, tropical dry forest, spiny forest, beaches and sand-dunes, mangroves and coral reefs. During your visit, you will find many kind of animals like lemurs (Verreaux's sifaka, Red-tailed sportive lemurs, Coquerel's dwarf lemurs ...), Fosa, the biggest predator in Madagascar, and another endemic animals. After your visit, you can practice some nautical activities.

*Overnight at Ecolodge du Menabe or similar with breakfast (BB)*

**Day 8 – 12-Aug : Belo sur Mer-Morondava**

Today, return back to Morondava. Arrival there, you can have a free time to relax on the beach or make a city tour.

*Overnight at Kimony resort or similar on BB*

**Day 9 –13-Aug : Morondava-Antsirabe**

In the morning, drive to Antsirabe. It is a town commonly known by its pousse-pousse (rickshaw). Arrival there, you can do a city tour by rickshaw to explore the city with its cultures.

*Overnight at Royal Palace or similar on BB*

**Day 10 –14-Aug : Antsirabe-Tana**

On this day, you will return back to Tana. Pass by Ambatolampy, where you can visit the Aluminium pot atelier. Arrival in the capital, you will be transferred to your hotel.

*Overnight at Grand Hotel or similar on BB*
