

DAY TO DISCOVER IVATO - AMBOHIMANGA

-ARRIVAL AT IVATO:

Welcome by the guide followed by a short briefing (presentation of the program and all participants)

-VISIT OF CROC FARM:

Located 5 minutes from Ivato airport, croc farm is the best-known showcase of REPTEL Company specialized in crocodile breeding and export of skins. The crocodiles of the Nile can be visited and see practically at hand! Something unthinkable in their natural environment. With the other boarders such as lemurs, amphibians, ostriches, fosas or snakes without forgetting the introduction to the unusual taste of crocodile meat.

-VISIT OF ARTISAN MARKETS LOCATED AT THE CROSSROADS OF AMBOHITRIMANJAKA

On the road to La Digue, the craft market of Ambohitrimanjaka is a popular place for tourists, who can find zafimaniry craftsmanship in rosewood, basketwork, statuettes or ebony masks, valiha, kabosy, djembes and a thousand things still... It is the calmest market of the capital; the stands are fixed and spacious, which avoids the usual boiling

-PASSAGE TO THE CITY CENTER:

Antananarivo It is the capital of the country and it is also the economic and administrative lung of the island. Literally means the city of miles you can admire the different architecture of the city with different colors but also the main activities of the population in the city center

-VISITE OF THE QUEEN'S PALACE:

Located approximately 24km northeast of the capital Antananarivo, Ambohimanga is a hill and a traditional royal stronghold of Madagascar (rova). You have the opportunity to discover the fourteen doors to enter or VAVAHADY in Malagasy.

Ambohimanga is a place of serenity of which many other archaeological remains are scattered on the hill: external royal tombs (Mahazaza), royal fountain of Adranomboahangy, Mangabe hill (where the tomb of the diviner-healer / astrologer lies) you can browse the enclosure rova, go around the fortifications, and find the stone sacrifices (vatomasina)
