

“BIOTROPICA INFORMAL “MEET AND GREET”

Organizers: Biotropica Editors

Have you ever considered publishing your work in Biotropica? Please come join us for an informal meeting with the Editor-in-Chief, Associates Editors, and Subject Editors of Biotropica, the journal of the Association for Tropical Biology and Conservation. In this informal round table discussion, we will answer any questions you may have and help to demystify the publication process. We look forward to meeting with anyone who is interested in showing up, especially early-career scientists and students.
